EDUCATION

PW Institute of Innovation (PW IOI)

Bachelor of Technology in Computer Science & Engineering

Bengaluru, India

2025 – 2029 (Expected)

- **Coursework:** Data Structures, Web Development, Computer Organization, Database Management Systems.

PROFESSIONAL EXPERIENCE

Mitti Media

Co-Founder & Lead Designer

Bengaluru, India

Jan 2026 – Present

- Founded and scaling a niche design agency focused on helping startups establish strong visual identities.
- Leading the creative direction using tools like **Figma** and **Adobe Suite** to ensure brand consistency.
- Producing high-quality video content and motion graphics for client campaigns using **DaVinci Resolve** and **Premiere Pro**.
- Bridging the gap between design and development by providing technical teams with production-ready assets.
- Streamlined the design-to-delivery pipeline, reducing turnaround time for client assets while maintaining high aesthetic standards.

TECHNICAL PROJECTS

Digital Notice Board | *HTML, CSS, JavaScript*

- **Problem Statement:** Recognized the inefficiency and paper waste associated with physical college notice boards and developed a digital alternative.
- **Solution:** Built a centralized web platform that allows administration to broadcast updates instantly.
- **Key Features:** Implemented secure Role-Based Access Control (RBAC) for Admins and a read-only view for Students.
- Designed a mobile-first responsive interface ensuring students can access notices seamlessly on smartphones.
